Would give 6 stars if it was possible! We got married in September, and we truly had the most perfect day; this certainly would not have possible without the Walkabout Creek team. Planning a wedding is supposed to be stressful but Jaya made the whole process a walk in the park! Communication was amazing from the very first day, and nothing was ever too much of a hassle. If you are looking to plan your perfect day, look no further!

Fantastic experience having our wedding at Walkabout Creek in May. Jaya and the team were so accommodating, thoughtful and kept us updated throughout the whole process. Impeccable service with great location close to Brisbane city. If you are after a natural and rustic venue near everything, you can't go past Walkabout Creek!

The whole experience with walkabout creek was amazing. Jaya was quick to answer questions and help with anything I needed. The venue was also incredible for photos, so many opportunities for that perfect shot! I would recommend this place to everyone. Thank you Jaya and team for an amazing day/night

Walkabout creek was exactly what we wanted when booking a wedding venue. Nothing was too much or too little and we had so much flexibility when it came to styling, food, and beverage packages, which we found refreshing when comparing it to other venues. We had so many options for ceremony locations on the grounds and choosing the lawn allowed us a stunning ceremony and cocktail hour set amongst the nature before moving up to the incredible deck. The deck itself was the perfect location whilst being covered and protected and providing the outdoor feel we were after. Set against a gorgeous backdrop, looking out over the trees and creek and above the animal sanctuary. Allowing our guest to spot a wombat and emu. Walkabout Creek was affordable, close to Brisbane, and offered everything we were after.

My partner and I got married at Walkabout Creek in 2022. The wedding co-ordinator there looked after us so well and made the planning experience a pleasure. We had an absolutely brilliant day. Everything looked beautiful and ran so smoothly. Even the kids had a good time!

This place is one of a kind. We got married back in July and choosing Walkabout Creek was the best decision we made. The day ran smoothly. The events coordinator, Jaya, was always willing to do whatever necessary to make it our own and in our case, we went with simple and the team made that happen. Everything was there, we didn't need to do much of our own DIY (but the option was there if we wanted to). The food was one of the highlights, some of the most delicious wedding food I've ever had and all our guests said the same. Just overall was one of the best days. Beautiful grounds for photos as well.

What an amazing wedding space, it was everything I could have imagined. The lawn was so stunning and loved that our whole wedding could just be at one space, no additional travel. Jaya was so helpful especially with Covid complications. I couldn't recommend Jaya and the team for a wedding or event. Apart from spectacularly stunning, the food and service was impeccable. Would do the day all over again.

Due to flooding at a previous location we had to do a last minute venue change and chose Walkabout Creek! And we are so glad we did, Jaya went out of her way to help us organise the last minute change and we couldn't be more grateful as the day was perfect! Amazing location and facilities made even better by the wonderful staff, I would highly recommend to hold your wedding here!!

Walkabout Creek was our dream wedding destination, from the very beginning meeting Jaya she was fantastic answering all our question and concerns especially around the beginning of covid (we were married on our 3rd date change). Food was incredible, the staff on the night were lovely to all our guests and very accommodating. 6 months later and our guests are still raving about the best wedding they have ever been to! A big thanks to everyone involved in our experience.

When we were looking to find a wedding venue, walkabout creek was definitely a hidden gem. As we lived interstate at the time, we booked this venue without actually seeing it in person. We were very lucky to have found such a beautiful spot to celebrate our special day. In the lead up to the big day, Jaya, the wedding coordinator corresponded with me answering all of my questions no matter how big or small. She was very knowledgeable in her work and made our day as seamless as possible.

Jaya took great care of us. It bucketed down 30 minutes before our ceremony. She hauled everyone together from the Lakeview stage and created a beautiful wet weather option up on the deck. Neither my husband nor I minded this because we still had beautiful rainforest views. We so appreciated Jaya keeping in touch with us throughout the day to manage the ceremony spot (which depended on the weather). I would even go as far to say that the deck was just as a breath taking a spot to get married as the Lakeview stage. We opted for a buffet style reception. The food was absolutely delicious. The only thing that I would change would be wearing a dress that wasn't fitted so I could eat more food! We have since been back to walkabout creek to celebrate other life events. It's a beautiful place to go for a coffee or even a Bush walk. I would definitely recommend this venue to couples who wish to get married in a beautiful rainforest venue!

A wonderful wedding venue. Got married here last week, Jaya and her team assisted us every step of the way, from planning, decor, catering and execution on the day. Venue was beautiful, clean and efficient.

The food was very tasty and the wait staff were amazing. Would give more than 5 stars if I could!
